

TAKING DIVIDENDS OF DEMOCRACY TO THE GRASSROOT

The present government in Ondo State decided upon coming to power to take development to the doorstep of every citizen of Ondo State. This resolve was responsible for the aggressive development drive embarked upon at the State and Local Governments levels which today is a source of joy to the people of the State. To maximize result, the State government goes into partnership with the Local Government with the sole aim of putting smiles in the face of the people.

Below is the highlight of some of the achievements recorded by the local governments in the last four years.
